

My daughter, Alice Ann Bad Hawk was born July 30th, 2018, her beautiful soul and her were with us briefly, we, I and Deanna Fern, spent as much time as God gave us with her as we could. She left us on August 3, 2018. I would like to apologize to my family as I didn't mean to leave my aunts/ godmothers wake and funeral without saying anything; my daughter was born into this world, during this tough time and also thank you for the prayers everyone sent our way. It's giving us strength to get through our baby girls passing and we really, really appreciate it. --Written by her father-Joseph Bad Hawk.

Alice is preceded in death by her paternal great grandparents, Bert Yellow Wolf and Alice Yellow Wolf. I Am Your Angel

*I am here in Baby heaven
God took me by the hand.
He wrapped me in his love,
and gently led me to his land.*

*I will always be your Baby,
our hearts are joined by our love.
now a perfect little angel,
I am watching you from above.*

*I am a part of you,
though brief was the time we shared.
Take comfort, be healed,
I am safe in loving care.*

*Remember me with joy,
lift a smile to the skies.
Say a prayer for me,
let there be no sad goodbyes.*

*One day we'll meet again,
a lifetime i will wait.
You will know the little angel
with open arms at Heaven's gate.*
