"Well Done" By: The Afters

*What will it be like when my pain is gone
And all the worries of this world just fade away?*

*What will it be like when You call my name
And that moment when I see You face to face?*

*I'm waiting my whole life to hear You say
Well done, well done*

My good and faithful one

Welcome to the place where you belong

Well done, well done

My beloved child

You have run the race and now you're home

Welcome to the place where you belong

*What will it be like when tears are washed away
And every broken thing will finally be made
whole?*

*What will it be like when I come into Your glory
Standing in the presence of a love so beautiful?*

I'm waiting my whole life for that day

I will live my life to hear You say

Well done, well done

My good and faithful one

Welcome to the place where you belong

Well done, well done

My beloved child

You have run the race and now you're home

Welcome to the place where you belong

What will it be like when I hear that sound?

All of heaven's angels crying out:

Singing holy, holy, holy are You, Lord

Singing holy, holy, holy are You, Lord

Singing holy, holy, holy are You, Lord

Waiting my whole life for that day

Until then I'll live to hear You say

Well done, well done

My good and faithful one

Welcome to the place where you belong

Well done, well done

My beloved child

You have run the race and now you're home

Welcome to the place where you belong

Well done
