I have lived in  
**SIGHT OF THE OCEAN**  
Where the water runs into land  
I have walked on the beach  
in the morning  
And left my tracks in the sand  
But *musical waves*  
have been calling  
And the ocean is so  
**WIDE AND VAST**  
That I've struck for the silver horizon  
And put out to sea at last.
