*As I sit in heaven
And I watch you everyday,
I try to let you know with signs That
I never went away.
I hear you when your laughing,
And watch you as you sleep.
I even place my arms around you
To calm you as you weep.
I see you wish the days away Begging
to have me home,
So I try to send you signs
So you know your not alone.
Don't feel guilty that you have
Life that was denied to me.
Heaven is truly beautiful,
Just you wait and see.
So live your life, laugh again,
Enjoy yourself and be free.
Then I know with every breath you
Take you'll be taking one for me.*
