He lived in Glasgow until 1966 when the family moved to Las Vegas, Nevada. In 1971, Brian moved back to the family farm in Richey, MT.

Brian loved his horse Comanche and he also rode his sister's horse, Flicker. His favorite dogs were Thunder and Frosty. Brian was very active on the farm. He drove the 3 Wheeler, 4 Wheeler, riding the lawn mower, and helped with tilling the Garden. Brian was a fast runner and he could easily out run his parents.

He went to school at Eastmont Training Center in Glendive, MT for 8 years. He lived in Malta for several years and then moved to Glasgow, MT in 1995. Brian worked at the Milk River Activity Center and had an apartment at the TLC along with other clients. He loved all of his family at the Center. He had an infectious smile and liked to visit with the staff, sometimes more visiting than working. Brian was known to have a stubborn streak every now and then.

Brian was very proud of his Special Olympic accomplishments. He had quite the collection of Medals and Ribbons. His favorite events were the softball throw, shot put, bowling, running and walking. He also liked staying in a motel and eating out was a treat for him and his friends.

Brian loved to be on vacation and sleep as long as he wanted. He enjoyed watching football, movies and listening to Johnny Cash. He loved his Diet Pepsi. He especially liked his Christmas decorations that his mom had given him.

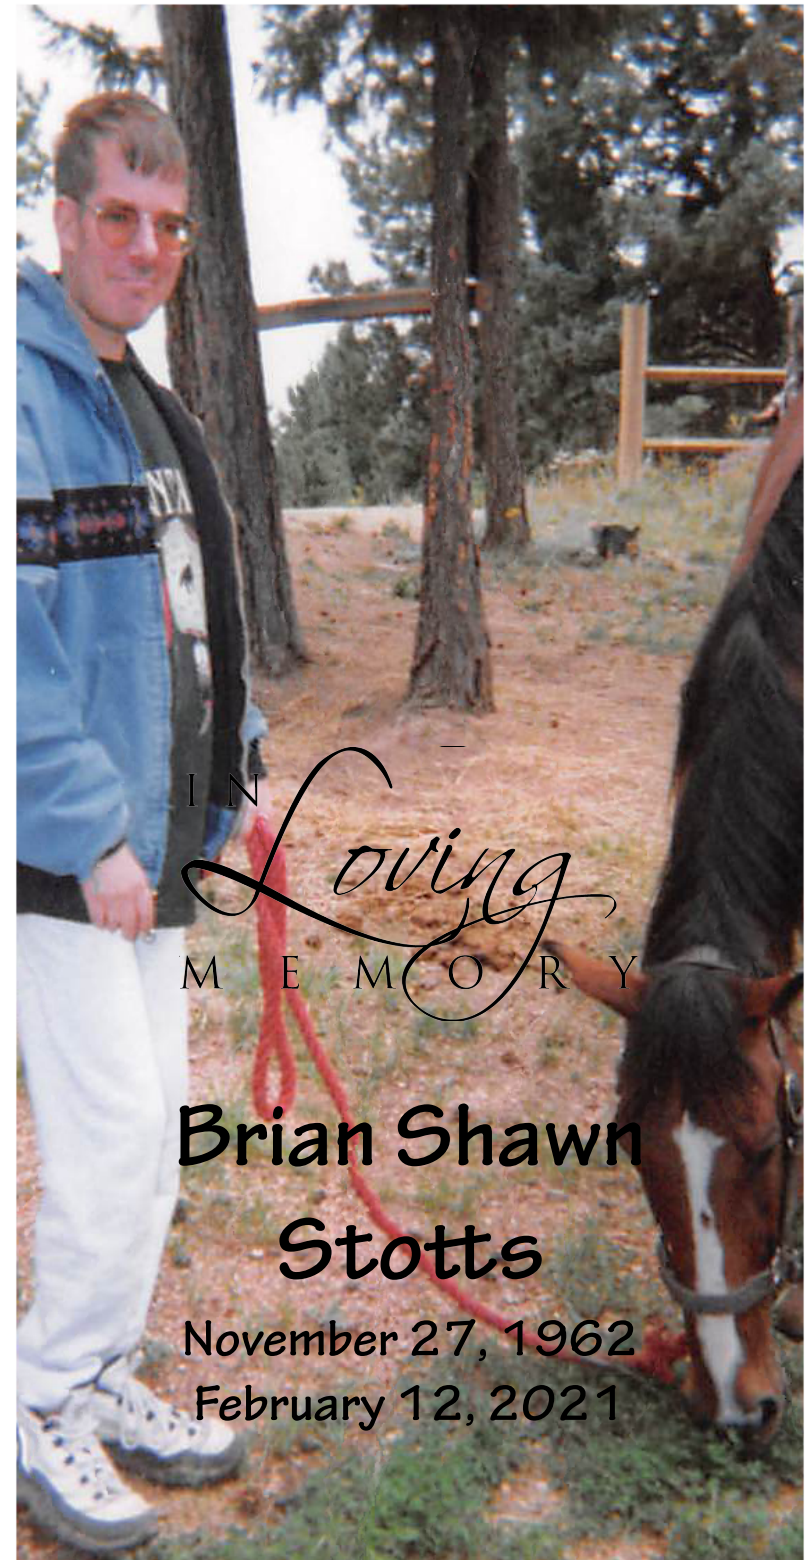

Brian you will forever be in our hearts. You touched many people throughout the years with your kindness and smile. We are very proud of you. We want to Thank Michelle and her staff at the Milk River and at TLC. The Dr's, nurses and all the staff at the hospital and a special thanks to Joe for being there at the end.

Cowboy's Prayer

*O Lord, I've never lived where churches grow;
I've loved creation better as it stood -
That day you finished it so long ago,
And looked upon your work and called it good.*

*Just let me live my life as I've begun!
And give me work that's open to the sky;
Make me a partner of the wind and sun,
And I won't ask a life that's soft and high.*

*Make me as big and open as the plains;
As honest as the horse between my knees;
Clean as the wind that blows behind the rains;
Free as the hawk that circles
down the breeze.*

*Just keep an eye on all that's done and said;
Just right me sometimes when I turn aside;
And guide me on the long, dim trail ahead
That stretches upward toward
the Great Divide.*
