Honor Loving Memory

Remember Me

*Speak of me as you have always done.
Remember the good times, laughter, and fun.
Share the happy memories we've made.*

Do not let them wither or fade.

*I'll be with you in the summer's sun
And when the winter's chill has come.
I'll be the voice that whispers in the breeze.
I'm peaceful now, put your mind at ease.*

*I've rested my eyes and gone to sleep,
But memories we've
shared are yours to keep.*

*Sometimes our final days may be a test,
But remember me when I was at my best.*

*Although things may not be the same,
Don't be afraid to use my name.*

*Let your sorrow last for just a while.
Comfort each other and try to smile.
I've lived a life filled with joy and fun.*

*Live on now, make me proud of
what you'll become.*
