

## "For the Man of the Land"

He rose with dawn,  
hands rough with grace,  
A farmer's heart, a steady pace.  
Fields he knew like lines on his face,  
And left behind a sacred place.

He walked the woods with quiet pride,  
A hunter's soul, the wild his guide.  
With every trail and echoed call,  
He found life's meaning in it all.

His smile—so wide, so full of light,  
Could warm the coldest winter night.  
It stays with us, through tears and pain,  
A beam of sun in pouring rain.

We lay him down, but lift him high,  
A man of earth, of field and sky.  
Forever loved, forever near—  
His spirit strong, still with us here.

IN LOVING MEMORY OF  
**DALLAS DEHNER**  
JANUARY 19, 1960  
- APRIL 21, 2025

Dallas Lynn Dehner was born on January 19, 1960, to Leon and Irene (Schwarzrock) Dehner. He was the second of four crazy boys.

Dallas grew up on the family farm north of Brockton. From this upbringing he acquired his great work ethic and character working alongside his parents and brothers. He attended the country school at Mineral Bench then finished his education in Poplar graduating in 1978. Promptly after high school, he joined the United States Air Force where he proudly served his country for six years. He later joined the United States National Guard in 1985, after some prompting from his baby brother. Dallas served in the National Guard until 2000 when he was honorably discharged. Dallas was a true patriot and loved his country.

Dallas married his high school sweetheart, Paula Rowe, on October 10, 1981. Their first date was their senior prom, Dallas was

smitten would be an understatement. Together they created a beautiful family by welcoming their boys Chad in 1984 and Shaun in 1986. Dallas was always involved in the boys' sports and activities. He coached the baseball team, even though he knew nothing about baseball. Somehow they always managed to have a winning team! He was proud of his boys and their achievements.

Dallas loved to do anything outdoors. He loved hunting, fishing and camping. There were quite a few memorable hunting trips with his brothers; one of which he may, or may not, have been a ring leader to get his brothers to go after a bobcat, armed with sticks and pitchforks. He was the uncle that would be wrestling on the floor with his nieces and nephews or giving rides in the tractor or combine. Dallas was not ever one to shy away from fun and was always game to go pull the kids on the tubes on McIlwain Lake, hiding the eggs for the kids at Easter

and teaching the kids to drive in stubble fields.

Dallas worked on the family farm, Roosevelt County and currently for Stallion. Through these endeavors he made many great friends and even more memories. Dallas had a great smile and infectious laugh and you couldn't help but smile with him. He will be greatly missed by everyone who knew him.

Dallas unexpectedly left us on April 21, 2025 at his home in Culbertson, Montana. Dallas leaves behind his wife, Paula, sons Chad and Shaun (Jenna) Dehner. Brothers, Raymond (Su) Dehner, Todd and Ward Dehner. Mother-in-Law Pat Rowe, brothers-in-law Larry and Steve Rowe, numerous nieces and nephews.

Dallas was preceded in death by his parents, Leon and Irene Dehner, father-in-law Jim Rowe, sister-in-law Cheryl Dehner, nephew Hunter Dehner, and great nephew Grady Sunwall.
